(b) in addition, a single fee of \$64 if, for the purposes of the survey, more than one visit is paid to the ship by the Surveyor.

(3) Annual Survey not carried through in one operation:—

For every annual survey of any ship (classed or unclassified) which is not carried through in one operation there shall be paid—

(a) the standard fee;

(b) in addition, a fee of \$64 for every partial annual survey; and

(c) for any ship over 500 tons, in addition, a single fee of \$64 for every partial annual survey in respect of which, for the purposes of the partial annual survey, more than one visit is paid to the ship by the Surveyor.

(4) Renewal Survey carried out concurrently with a Special Survey for classification purposes:—

In the case of the survey of a classed ship for renewal of the Load Line Certificate, the fee in column 2 shall be paid if the renewal is carried out concurrently with a Special Survey for classification purposes, for which a fee is charged. Otherwise the fee will be 50 per cent of that in column 1.

(5) Issue or renewal survey carried out concurrently with survey for Hong Kong Government Passenger or Passenger and Safety Certificate:—

Where the survey for the issue or renewal of a Load Line Certificate is carried out by a Hong Kong Government Surveyor concurrently with that for a Passenger or Passenger and Safety Certificate, and the ship is—

(a) a classed ship—no fee will be charged under column 1 or column 2;

(b) an unclassified ship—half the fee under column 4 or column 5 shall be paid.

(6) Annual Survey carried out concurrently with survey for Hong Kong Government Passenger or Passenger and Safety Certificate:—

Where the annual load line survey is made by a Hong Kong Government Surveyor at the same time as the survey for the issue of a Passenger or Passenger and Safety Certificate, no fee will be charged under column 3 or column 6.

(7) Survey where minor alterations have been made to a ship:—

Where minor alterations have been made to a ship having a load line certificate in force, which involve an alteration of the freeboard but do not require a full survey, the fee in column 2 shall be paid whether the ship be classed or unclassified.

(8) Partial survey for issue of a short term certificate:—

Where for special reasons a partial survey is made and a certificate is issued or renewed for a period not exceeding twelve months, one half of the standard fee appropriate to a full survey shall be paid.

7. A person who has been registered as an apprentice or student and who satisfies the Registrar that he has passed one of the examinations set out in Appendix 1 shall be deemed to have passed the Intermediate Examination provided that the subjects include Chemistry, Physics and Biology. If the subjects include two only of those prescribed in these Regulations he shall be deemed to have passed the examination in such two subjects.

8. A candidate shall present himself for examination in all of the subjects of the examination except that a candidate who shall be deemed to have passed the examination in two of the subjects only may present himself for examination in the one remaining subject.

9. A candidate who has failed to satisfy the Examiners in one subject only may, subject to the permission of the Examiners, present himself for examination in that one subject only. Before he applies to enter again for the examination a candidate who has failed to satisfy the Examiners shall produce satisfactory evidence to the Examiners that he has complied with any conditions made by them concerning his presenting himself for examination in the subject in which he failed to satisfy the Examiners.

10. Except in the following circumstances no fee or portion of a fee shall be returned:—

(a) a candidate who withdraws before the last date of entry for the examination shall receive back the fee paid;

(b) a candidate who has entered for the examination but fails to present himself and submits proof satisfactory to the Registrar that his absence was due to illness or other unavoidable cause shall receive back the fee paid.

REQUIREMENTS FOR ENTRY TO THE FINAL EXAMINATION.

11. The Examination shall be held twice a year in March and October. When applying to enter the Examination for the first time a candidate shall—

(a) have passed or be deemed to have passed the Intermediate Examination;

(b) pay the prescribed fee;

(c) produce to the Registrar—

(I) a certificate of registration of birth;

(II) a declaration, signed by the candidate on the official form obtainable from the Registrar, that he has been trained under the supervision of a registered pharmacist in the dispensing and compounding of medicines for a period of not less than four thousand hours, spread over not less than two years, in one of the following places:—

- (i) a set of premises registered under Part 1 of the Pharmacy and Poisons Ordinance;
- (ii) a manufacturing pharmaceutical laboratory;
- (iii) a dispensary of a hospital or similar institution.

The declaration shall state the address of the place or places at which the course has been undergone with the dates and periods of such training and shall be signed by the pharmacist who supervised the training. The declaration shall only be valid if the course was undergone by the candidate subsequent to registration as an apprentice or student and while serving under Articles of Pupilage in accordance with regulations, and only if the course was subsequent to such Articles of Pupilage having been endorsed by the Registrar and a copy lodged with him;

(III) a certificate on the official form obtainable from the Registrar signed by the candidate's principal or his deputy that, subsequent to having passed or being deemed to have passed the Intermediate Examination, the candidate has attended at a recognised educational institution an approved systematic course of instruction in the subjects of the Final Examination and has completed the work to the satisfaction of the principal. The course of instruction shall be spread over a period of not less than 250 hours in Pharmaceutics, 250 hours in Pharmaceutical Chemistry and 250 hours in Physiology, Pharmacognosy and Forensic Pharmacy.

12. The subjects of the Examination shall be Pharmaceutics, Pharmaceutical Chemistry, Pharmacognosy, Physiology and Forensic Pharmacy, and shall be in accordance with the syllabus as approved from time to time by the Governor in Council. The Registrar shall supply, without fee, a copy of the syllabus to any person on application.

13. A candidate shall present himself for examination in all subjects of the Examination except that—

- (a) a candidate who has failed to satisfy the Examiners in one subject only, may, subject to the permission of the Examiners, present himself for examination in that one subject only. Before he applies to enter again for the Examination a candidate who has failed to satisfy the Examiners shall produce satisfactory evidence to the Examiners that he has complied with any conditions made by them concerning his presenting himself again for examination in the subject in which he failed to satisfy the Examiners;

- (b) a candidate who satisfies the Examiners in the subject or subjects in which he presents himself for examination in accordance with these Regulations shall be granted a certificate by the Examiners to that effect and entitling him to be registered as a chemist and druggist in accordance with the provisions of the Pharmacy and Poisons Ordinance: Provided that no such certificate shall be issued until such time as the candidate has attained the age of twenty-one years.

14. The Articles of Pupilage shall contain the provisions of the draft Articles set out in Appendix 2 to these Regulations or provisions to like effect or the provisions of any Articles under which the candidate may have been serving at the time these Regulations came into force, provided that such Articles had been endorsed by the Registrar.

15. Except in the following circumstances no fee or portion of a fee shall be returned:—

- (a) a candidate who withdraws before the last date of entry for the examination shall receive back the fee paid;
- (b) a candidate who has entered for the examination but fails to present himself and submits to the Registrar proof satisfactory to the Registrar that his absence was due to illness or other unavoidable cause shall receive back the fee paid.

16. Notwithstanding the provisions of the foregoing Regulations it shall be permissible for the Registrar to exempt from compliance with any requirement contained in such of the Regulations as apply to Examinations for registration as an apprentice or student to courses of theoretical and practical study, any person who produces evidence to the satisfaction of the Registrar that either—

- (a) he has complied with a corresponding requirement under previous Regulations at the time such Regulations were in force; or
- (b) he has received a sufficient preliminary practical training in a course of study for the subjects of the examination.

17. Notwithstanding the provisions of the foregoing Regulations the Registrar may, subject to such conditions as he may prescribe, accept a practical course of study undergone in a place other than Hong Kong provided the person is registered as an apprentice or student.

18. A candidate who has received training in a place other than Hong Kong may, at the discretion of the Registrar, be admitted to the Final Examination of the Chemist and Druggist Qualifying Examination provided that—

- (a) he produces evidence satisfactory to the Registrar of having undergone a course of training and study which, in the opinion of the Registrar, is equivalent to that required under regulation;
- (b) he produces evidence satisfactory to the Registrar of having passed an examination which in the opinion of the Registrar is equivalent to the Intermediate Examination of the Chemist and Druggist Qualifying Examination;
- (c) he pays the prescribed fee for entry to the Final Examination.

APPENDIX No. 1. (Reg. 7).

EXAMINATION ACCEPTED IN PLACE OF THE FIRST PART OR INTERMEDIATE EXAMINATION FOR THE CHEMIST AND DRUGGIST QUALIFYING EXAMINATION.

A candidate shall be deemed to have passed the Intermediate Examination of the Chemist and Druggist Qualifying Examination if he produces evidence to the Registrar as having passed one of the following examinations provided that the subjects include Chemistry, Physics and Biology:—

- 1. The Final or Intermediate Examination for a degree in Arts or Science of the University of Hong Kong or of any other British or Colonial or Dominion University.

HONG KONG DEFENCE FORCE ORDINANCE, 1948.

Regulations by the Governor in Council.

In exercise of the powers conferred by section 13 of the Hong Kong Defence Force Ordinance, 1948, the Governor in Council hereby makes the following regulations:—

REGULATIONS.

1. These regulations may be cited as the Hong Kong Defence Citation Force Regulations, 1949.
2. The Force shall be allowed an Honorary Commandant-General. This appointment shall be held by the Governor and Commander-in-Chief of the Colony of Hong Kong and its dependencies and Vice-Admiral of the same. Appointment of Honorary Commandant-General.
3. The Force shall be under the executive command of the Commandant appointed by the Governor on the recommendation of the Service Commanders. He shall normally be a civilian, but where special circumstances make it advisable or necessary, an officer of His Majesty's Regular Forces seconded, as the case may be, by the Admiralty, Army Council or Air Council may be placed in command. Appointment of Commandant.
4. The Commandant shall hold the rank of Captain, Royal Navy or its equivalent depending on the branch of Service to which he belongs. Rank of Commandant.
5. Appointment as Commandant shall be made for a period of four years. The Governor, upon the recommendation of the appropriate Service Commander, may extend such period for terms not exceeding two years, but no Commandant shall be permitted to retain his command beyond eight years in all, or beyond the age laid down for his rank in the appropriate regulations whichever may first happen. Period of engagement.
6. The Commandant shall be responsible to the Governor— Commandant's responsibilities.
 - (a) for the maintenance of discipline, efficiency and proper system in the Force;
 - (b) for the supervision and control of all duties performed by those under his command;
 - (c) to account for public equipment and stores of whatever description appertaining to the Force;
 - (d) to prescribe, from time to time, the system of accounting for stores, equipment, pay, records, etc. to be used by the Force or any of the units thereof;
 - (e) to prescribe, from time to time, the account books, returns, etc. to be used by the Force or any of the units thereof;
 - (f) for the condition of the arms in his charge;

(g) for the correct receipts and issue of all supplies, including petrol, oil and grease;

(h) for the proper application of all Force funds;

(i) for the supervision and control of all committees formed for the management of all Force funds;

(j) to bring specially to the notice of the appropriate Service Commander any officers distinguished for proficiency in their duties and also those who, from incapacity or apathy, are deficient in knowledge of their duties, or who do not afford him that support which he has a right to expect, or who conduct themselves in a manner injurious to the efficiency or credit of the units in which they are serving in the Force;

(k) for advising the Service Commanders on all matters relating to the Force;

(l) to set down from time to time the physical standards required of a recruit;

(m) for such other duties as the Governor may impose from time to time.

Enlistment.

7. Every person offering himself for enlistment in the Force shall—

(a) be medically examined by a medical officer of the Force;

(b) sign such forms as the Commandant may prescribe;

(c) furnish such personal references as the Commandant may require;

(d) declare in writing whether he is willing to serve outside the limits of the Colony, if so ordered;

(e) be enlisted as a recruit irrespective of any rank he may have held previously.

Method of Service.

8. (1) A recruit, who, by reason of age and physical fitness, is eligible to become a volunteer shall first be drafted to the Depot of Force Headquarters for basic military training.

(2) A recruit shall, on completion of his basic military training, be transferred, if possible, to the unit or sub-unit of his choice or shall undertake such special courses as the Commandant may prescribe from time to time.

(3) Any volunteer who possesses the qualifications to hold a commission may, in the discretion of the Commandant after consultation with the Commanding Officers and on the recommendation of the appropriate Service Commander, receive training in the Officer Cadet Cadre of Force Headquarters after he has passed out of the Depot, or after a term of service in any of the units of the Force.

(4) A volunteer may on the completion of his term of service—

(a) re-engage in accordance with the provisions of the regulations governing his unit; or

(b) apply for transfer to some other unit of the Force;

or

(c) subject to the provisions of the Ordinance quit the Force.

9. (1) The Commandant shall, after consultation with the Service Commanders and Commanding Officers, post officers to the various units of the Force. Posting, retirement and promotion of officers.

(2) Appointment, promotion, removal and retirement of officers shall be governed by the appropriate regulations laid down for the unit in which they are serving.

10. (1) The Governor may, in his absolute discretion, permit an officer, except during an emergency, to resign his commission. Resignation of officers.

(2) Resignations shall, in the first instance, be sent to the appropriate Commanding Officer who shall forward them to the Governor through the Commandant and the appropriate Service Commander.

11. (1) The administration of the Force shall vest in the Commandant and shall consist of— Administration.

(a) Records;

(b) Courts Martial;

(c) Courts of Enquiry;

(d) Audit Boards;

(e) Institutes;

(f) Wardroom/Officers' Mess;

(g) Petty Officers'/Sergeants' Mess;

(h) Pay.

(2) Administrative duties shall be carried out centrally at Force Headquarters or at such other place as the Commandant may prescribe.

(3) The normal administrative chain shall be the Commanding Officers, the Commandant, the appropriate Service Commander.

12. All officers and volunteers shall carry out the training and instruction as laid down in the regulations governing their respective units. Training.

13. Notwithstanding anything to the contrary contained in these regulations and in the regulations governing the respective units of the Force, the periods of training and the number of instruction parades may, during an emergency, be increased at the discretion of the appropriate Service Commander, with the approval of the Governor. Such increases shall be notified in the Gazette. Power to increase number of parades.

Discipline.

14. Every officer of the Force and every volunteer when called out, in training or under instruction shall be subject in all respects to the provisions of the appropriate King's Regulations applicable to him in so far as they are applicable and consistent with the provisions of these regulations and with the provisions of the Ordinance under which they are made.

Restriction as to writing for and giving publication of lectures.

15. (1) Officers and volunteers are forbidden to write for publication or to cause to be published either directly or indirectly any matter or information relating to the Force, unless the permission of the Commandant has first been obtained.

(2) Officers and volunteers are further forbidden to deliver any lecture or read any paper at a public meeting or to broadcast on any subject relating to the Force, unless a copy of such lecture or paper or text has been previously submitted to the Commandant and his permission has first been obtained.

Restriction as to meetings and memorials.

16. Officers and volunteers are forbidden to hold meetings for the purpose of expressing an opinion upon the acts of any senior officer or of recommending him to take a particular course of action or to draw up memorials to the same effect. No meetings except those authorised by the Commandant shall be recognised.

Prohibition as to attendance at political meetings, etc., in uniform.

17. Officers and volunteers are forbidden to attend, whether individually or collectively, political meetings or public discussions or demonstrations, in uniform.

Leave of absence.

18. (1) Commanding Officers may, unless otherwise ordered by the Commandant, grant leave of absence to an officer or volunteer up to a maximum of nine months.

(2) An officer or volunteer wishing to apply for a longer period of leave of absence shall submit his application to the Commandant through his Commanding Officer.

(3) An Officer before proceeding on leave of absence shall inform the headquarters of his unit of his forwarding address and any changes thereof.

Decorations and Awards for Efficiency, Long Service and Good Conduct.

19. (1) Officers and volunteers shall be eligible for the decorations, medals or awards for efficiency, long service and good conduct, instituted by His Majesty the King under Royal Warrant, applicable to their units.

(2) The award of such decorations shall be governed, as far as they are applicable, by regulations, as amended from time to time, as shall be in force for the Royal Naval Volunteer Reserve, the Territorial Army, and the Royal Air Force Volunteer Reserve or the Royal Auxiliary Air Force.

(3) The appropriate decorations, medals and awards shall be the following:—

(a) for the Naval Force

EDUCATION ORDINANCE, 1913.

In exercise of the powers conferred by section 10 of the Education Ordinance, 1913, the Governor in Council hereby rescinds the regulations made under the said Ordinance and published as Government Notification No. 711 in the Gazette of 1st September, 1939, and Government Notification No. 769 in the Gazette of 9th October, 1947, and substitutes the following regulations therefor:—

REGULATIONS.

1. These regulations may be cited as the Education Citation Regulations, 1949.

PART I.

INTERPRETATION.

2. For the purpose of these regulations—

“boarding school” means a school in connexion with which hostels, dormitories or other rooms or premises are provided for the housing or lodging of some or all of the pupils of that school out of school hours, whether such hostels, dormitories, or other rooms or premises are in or part of the same building or group of buildings as the classrooms or not; <sup>Interpreta-
tion.</sup>

“boarders” means the pupils of a boarding school for whom housing or lodging accommodation is provided;

“classroom” means any room used for teaching purposes;

“dormitory” means any room provided as sleeping accommodation for boarders;

“inclusive monthly fee” means the monthly sum of money charged by the manager of a school in respect of the tuition of a pupil and (for those schools where, in the opinion of the Director, proper facilities exist) shall include all incidentals such as medical fees, fees for laboratory, library, games, entertainment and the like;

“infectious disease” means any disease to which the Quarantine and Prevention of Disease Ordinance, 1936, applies;

“school” includes a boarding school;

“tenement-house” means any domestic building constructed, used or adapted for human habitation by more than one tenant.

PART II.

STRUCTURAL REQUIREMENTS FOR SCHOOLS.

Preliminaries to registration of schools, alterations, etc.

3. (1) Without prejudice to the provisions of any enactment relating to buildings, no building shall be used as a school—

(a) unless it was a registered school prior to 1st September, 1939; or

(b) until the plans thereof have been approved by the Director.

(2) No structural alterations shall be made nor shall any alterations be made to the latrine accommodation or sanitary arrangements of any school, or in the ventilation or lighting of any classroom, without the previous consent in writing of the Director.

(3) The Director shall not approve any plan of any building for use as a school unless such building complies with the provisions of Part III of these regulations.

(4) The Director shall not approve any plan of any structural alteration or addition to the premises of any school which will so alter or add to such premises as to prevent them from complying with the provisions of Part III of these regulations.

(5) The Director may require the manager of any school so to alter or add to the school premises as to ensure that they comply with the provisions of Part III of these regulations.

PART III.

HEALTH REQUIREMENTS FOR SCHOOLS.

Ventilation and lighting.

4. (1) Every classroom shall be adequately ventilated and lighted to the satisfaction of the Director.

(2) In every classroom the windows or other openings to the external air shall be situate on at least two sides of the classroom and shall have a total area of at least one-eighth of the area of the floor of the classroom.

(3) No cubicle or partition which obstructs the free passage of light or air shall be erected in any classroom.

(4) The ceiling of every classroom shall be not less than twelve feet above the floor.

Floor space, desks, etc.

5. (1) In every classroom—

(a) the floor space for each pupil shall be at least ten square feet;

(b) a space of at least three feet in width extending along the whole length of the wall in front of the pupils shall be reserved for the teacher;

(c) pupils' desks and seats shall be so distributed as to permit each pupil to be seated as far from his neighbour as possible;

(d) pupils' desks shall be arranged so that the main source of light falls upon the left of the pupils and so that they are able to read what is written on the blackboard;

(e) no desk shall be nearer to the blackboard than three feet, and blackboards shall be adequately illuminated.

(2) For the purpose of calculating the number of pupils permitted in any classroom, there shall be deducted from the total floor space—

(a) the space reserved for the teacher;

(b) areas which in the opinion of the Director, are inadequately lighted;

(c) areas occupied by cubicles or living accommodation.

6. (1) Every school shall be provided with latrine accommodation and sanitary arrangements of a type approved by the Director, which in respect of schools other than boarding schools conforms to Appendix A; and in respect of boarding schools conforms to Appendix B. Latrines, etc.

(2) Every room used for latrine accommodation shall—

(a) be provided with an opening or openings into the external air having a total area of at least one-tenth of the area of the floor of the room;

(b) at all times be kept in a clean and sanitary condition;

(c) not be used for any other purpose;

(d) have its floor and its walls to a height of not less than three feet, rendered in cement, mortar, or other suitable impervious material.

(3) In any school in which water closets are installed no other type of latrine accommodation shall be used.

(4) In every latrine not fitted with a flush system—

(a) every pan shall have a capacity of at least three gallons; and

(b) every urinal vessel shall have a capacity of at least four gallons.

7. If in the opinion of the Director any school is conducted in an insanitary manner, the manager shall carry out such alterations as the Director may prescribe by notice in writing, and within the time specified in the notice. Insanitary schools.

Water supply.

8. If the supply of water provided for any school is, in the opinion of a Medical Officer of Schools or a Health Inspector of Schools, insufficient or unwholesome, the Director may, by notice in writing, require the manager to increase or improve the supply, or to adopt necessary precautions within such time as may be specified in the notice. Failure to comply with the provisions of any such notice shall be a breach of this regulation.

Identification of classrooms.

9. Every classroom shall be prominently marked with an identification letter or number.

Maximum number of pupils.

10. In every classroom there shall be kept exhibited in a prominent place a framed certificate signed by the Director or some officer on his behalf certifying the maximum number of pupils permitted in that room, and no more than such maximum number shall be permitted in that room.

Schools in tenement-houses.

11. Where a school occupies a floor in a tenement-house the whole floor shall be used exclusively as a classroom and no partitions shall be erected therein without the written permission of the Director.

Cleaning and colour washing.

12. (1) Every classroom shall be swept daily before the opening of school and the floors shall be washed and disinfected at least once a week.

(2) The manager shall, if so required in writing by the Director, cause the whole or any part of the school premises to be suitably colour-washed or repainted.

Desks, seats and blackboards.

13. Every manager shall provide in his school desks, seats and blackboards of a type approved by the Director.

Technical equipment.

14. In a school where technical subjects are taught, the manager shall provide adequate equipment and apparatus to the satisfaction of the Director.

Print in text-books.

15. Text-books used in any school shall contain print of a kind approved by the Director.

Smoking and spitting.

16. (1) The manager shall not permit smoking in any classroom during school hours.

(2) Spitting is prohibited on school premises.

Medical examination of pupils.

17. (1) A Medical Officer of Schools may examine in any school the person and clothing of any child attending the school: Provided that female pupils over the age of ten years shall not be examined by a male person except with the consent of the head teacher and in the presence of an adult female person.

(2) If on such examination a Medical Officer of Schools is of the opinion that the person or clothing of any pupil is infected with vermin or is in a foul or filthy condition, he may require the manager to exclude such pupil from the school forthwith until such time as the person and clothing of the pupil have been cleansed to the satisfaction of a Medical Officer of Schools.

18. (1) If a Medical Officer of Schools certifies to the Director that any teacher, pupil, or employee should be excluded from school by reason of suffering or having recently suffered from any infectious disease, or by reason of having been in contact with or living in the same house as a person suffering or having recently suffered from an infectious disease, the manager shall, if so instructed in writing by the Director, cause such teacher, pupil, or employee to be excluded from school for such period as the Medical Officer of Schools shall deem necessary.

(2) The manager shall immediately report to a Medical Officer of Schools any suspected or known case of infectious disease amongst teachers, pupils or employees of a school, or when he suspects or knows that any such person has been in contact with a case of infectious disease.

(3) If in any school there has been reported or found a case of infectious disease amongst the teachers, pupils or employees of that school, the Director may on the advice of a Medical Officer of Schools order the closure of that school for such period as he may consider necessary.

(4) No manager or teacher shall knowingly admit to school any teacher, pupil, or employee excluded from any other school under regulation 17 or 18.

19. (1) In every boarding school a superficial dormitory area of at least forty square feet shall be provided for each boarder and the ceiling of every dormitory shall be at least twelve feet above the floor.

(2) Every boarding school shall have a suitable room set aside for sole use as a sanatorium or sick room.

(3) No dormitory shall be in a tenement-house.

(4) In every boarding school—

- (a) the dormitory accommodation;
- (b) the washing and bathing arrangements;
- (c) the messing and kitchen accommodation;
- (d) the latrine accommodation and sanitary arrangements; and
- (e) the area provided for open air recreation;

shall be of such adequate standard and so maintained as to satisfy the reasonable requirements of the Director.

(5) No boarding school shall be registered unless the latrine accommodation consists of water closets or of water closets and urinals connected to a flush system.

(6) The manager of every boarding school shall, if so required by the Director in writing, appoint a matron to be in charge of the boarders.

20. (1) The manager of every boarding school shall cause a medical examination of every boarder and of the school premises to be made at least once in every six months.
