	Report on the Samaritan Fund 1.4.1975 - 31.3.1976

The Samaritan Fund is entirely dependent on voluntary donations and a total of \$77,446.45 was received during the financial year. The main purpose of the Fund is to render financial assistance to needy patients to meet the expenses of transportation to clinics and hospitals for essential medical treatment, the payment of rent, school fees and other emergency needs. Small monetary sums are also granted to destitute patients in hospitals for the purchase of basic daily necessities. With the very generous donations of the Royal Hong Kong Jockey Club, Sir Robert Ho Tung Charitable fund, the Li Po Chun Charitable Trust Fund and others, it has been possible to assist a total of 3,752 patients. During the year, it was possible to place a sum of \$90,000 on fixed deposit as a reserve against future contingencies.
