2. Rule 3 amends rule 3 of the principal rules to enable the fund to benefit part-time teachers, if so required.

3. Rule 4 amends rule 4 of the principal rules to extend representation on the board of control of the Provident Fund to two additional grant schools and provides that an annual general meeting of the board shall be held in January of each year.

4. Rule 5 deletes sub-rule (3) of rule 5 of the principal rules, which is not considered necessary.

5. Rule 6 amends rule 6 of the principal rules consequential upon the replacement of rule 16 dealing with accounts.

6. Rule 7 reframes rule 7 for clarification.

9. Rule 10 revokes and replaces rules 11 and 12 of the principal rules—

- (a) to make it clear that where teachers' accounts are closed in circumstances in which they are entitled to recover only their own contributions to the fund and not the Government's donations they are entitled to that proportion of the dividends declared as are attributable to those contributions; and

Forfeiture of rights in certain cases is also deleted from rule 13.

11. Rule 12 revokes rule 15 of the principal rules the purport of which is considered adequately effected by the provisions of subsection (4) of section 44 of the Education Ordinance, 1952, as amended by the Education (Amendment) Ordinance, 1961.

12. Rule 13 revokes and replaces rule 16 of the principal rules, which deals with accounting and auditing, in a form more closely in line with corresponding provisions relating to the maintenance of other similar funds.

13. Rule 14 revokes rule 17 of the principal rules, which prescribes a retirement age limit. The effect will be to enable a contributor to continue to contribute so long as he is employed in a grant school notwithstanding that his age may exceed sixty years.

14. Rule 15 adds a new rule 20 to the principal rules which provides for the transfer of contributors' accounts from the Grant Schools Provident Fund to the Subsidized Schools Provident Fund and *vice versa* where contributing teachers are transferred from one kind of school to the other without requiring a closure of account and consequential loss of benefits where in fact the total teaching service has been continuous.
