CERTIFICATE OF THE DIRECTOR OF AUDIT

The above Balance Sheet and Income and Expenditure Account have been examined in accordance with Condition 5(2) of the Schedule to the Legislative Council Resolution dated 24th May, 1950 (G.N.A. 113 of 26th May, 1950, as amended by G.N.A. 33 of 22nd April, 1960). I have obtained all the information and explanations that I have required, and I certify, as a result of this audit, that in my opinion the Balance Sheet and the Income and Expenditure Account are correct subject to the following observation.

The accounts were certified by the Director of Medical and Health Services through the Principal Almoner who was required to sign them. The title of Principal Almoner was changed and the post of the officer holding the revised title was abolished before 31st March, 1969. The Legislative Council on 21st May, 1969 passed a resolution cancelling the previous resolution (as amended) and provided for the Director to carry out the duties previously ascribed to the Principal Almoner.

AUDIT DEPARTMENT,
Hong Kong, 30th June, 1969.

D. G. BRETTON,
Director of Audit.

REPORT ON THE SAMARITAN FUND 1.4.68—31.3.69

Heavy calls on the Fund with resulting expenditure in excess of income for the past three years caused the balance of the accumulated fund to be reduced to as low as \$3,406.58 on 1st April 1968. It was therefore necessary during the year under review to seriously curtail expenditure to ensure not only that the Fund remained solvent, but to attempt to build up again a small reserve against a shortfall in donations. In spite of this, it was found possible to assist some 3,143 needy patients to the extent of a total of \$38,631.00. The main purposes for which assistance is given to needy patients are for transportation to hospitals and clinics to enable them to obtain essential medical treatment, assistance with payment of rent, school fees, etc. Small monetary grants are also made to assist needy patients in the purchase of clothing, toilet necessities and food for extra nourishment after discharge from hospital.

The Samaritan Fund is entirely dependent on voluntary donations and receives no assistance whatsoever from public funds.

P. H. TENG,
Director of Medical & Health Services,
30th June, 1969.
