PUBLIC HOUSING ESTATES GET NEW NAMES

****

All former government low cost housing and resettlement estates are to be known by their names alone. This is in line with the new Housing Authority's policy to drop the distinguishing words resettlement and low cost from the titles of all public housing estates.

To avoid confusion, the words "upper" and "lower" will be used for estates bearing similar names.

The names of the 10 estates of the former Housing Authority remain unchanged.

The full list of public housing estates with their old and new names is:
