NEW CONTRACTS FOR SIX FORMER PAUL LEE PROJECTS  
\*\*\*\*\*

CONTRACTUAL AGREEMENTS HAVE BEEN CONCLUDED, PENDING THE COMPLETION AND SIGNING OF FORMAL CONTRACTS, FOR THE COMPLETION OF WORK ON SIX MORE PROJECTS FORMERLY UNDERTAKEN BY THE PAUL LEE ENGINEERING COMPANY.

A GOVERNMENT SPOKESMAN SAID TODAY APPROVAL OF THE CENTRAL TENDER BOARD HAD BEEN OBTAINED FOR THESE CONTRACTUAL AGREEMENTS. +THEY ARE IN FACT VALID CONTRACTS ON THEIR OWN RIGHT,+ HE ADDED.

THE PROJECTS ARE: THE CHING CHEUNG ROAD EXTENSION TO BE UNDERTAKEN BY PAUL Y. CONST. CO. LTD. AT A CEILING PRICE OF \$28,880,000= THE NAM CHEONG INTERCHANGE BY FOOK LEE CONST. CO. LTD. AT A CEILING PRICE OF \$9,070,000= THE FUNG MO STREET INTERCHANGE (STRUCTURE) AND SHA TIN PASS ROAD PEDESTRIAN OVERPASS BY HSIN CHONG CONST. CO. LTD. AT A CEILING PRICE OF \$2,340,000= THE TAI WOH PING INTERCHANGE BY HARBOUR ENGINEERING CO. LTD. AT A CEILING PRICE OF \$4,410,000= THE MAIN TUNNEL SECTION OF THE AIRPORT TUNNEL ROAD BY GAMMON (H.K.) LTD. AT A CEILING PRICE OF \$56,500,000= AND THE AUSTIN ROAD EXTENSION AND ASSOCIATED WORKS BY PAUL Y. CONST. CO. LTD. AT A CEILING PRICE OF \$6,800,000.

TWO CONTRACTS FOR THE COMPLETION OF WORK ON TWO OF THE PROJECTS FORMERLY HANDLED BY THE PAUL LEE COMPANY WERE SIGNED EARLIER THIS MONTH.

THE FIRST, WHICH WAS AWARDED TO GAMMON (HONG KONG) LTD., WAS FOR THE COMPLETION OF THE ELEVATED ROAD BETWEEN PRINCE EDWARD ROAD AND LAI CHI KOK ROAD AND THE ASSOCIATED LINK TO SAI YEE STREET, WHILE THE SECOND WAS FOR SEWERAGE AND DRAINAGE WORKS IN CHAI WAN ROAD. IT WAS AWARDED TO FOOK LEE CONSTRUCTION CO. LTD.

ONE OF THE THREE REMAINING PROJECTS - THE GRADE-SEPARATED (OR FLYOVER-TYPE) ACCESS ROAD INTO THE AIRPORT - WAS COMPLETED BY THE P.W.D. UNDER A MAINTENANCE CONTRACT AND WAS OPENED TO TRAFFIC IN THE MIDDLE OF THIS MONTH.

THE TWO OTHERS ARE THE PO KONG INTERCHANGE (STAGE 1) AND THE ROBINSON ROAD/CASTLE ROAD JUNCTION IMPROVEMENT SCHEME.

THE BALANCE OF WORK TO BE DONE ON THE PO KONG INTERCHANGE (STAGE 1) IS NOW TO BE INCLUDED IN A NEW CONTRACT FOR THE SECOND STAGE OF THE PROJECT.

A RESUMPTION OF WORK ON THE ROBINSON ROAD/CASTLE ROAD FLY-OVERS WILL HAVE TO AWAIT THE COMPLETION OF CONSTRUCTION WORK ON AN ADJOINING SITE.

LEGCO TO DISCUSS MTR PROJECT AND TELEPHONE CHARGES

\* \* \* \* \*

THE MASS TRANSIT RAILWAY SYSTEM AND THE TELEPHONE COMPANY'S PROPOSED INCREASES IN TELEPHONE RENTALS ARE AMONG SOME OF THE MAJOR TOPICS THAT WILL BE RAISED AT TOMORROW'S LEGISLATIVE COUNCIL MEETING.

THE MTR PROJECT WILL COME UP FOR DISCUSSION DURING AN ADJOURNMENT DEBATE TOWARDS THE CLOSE OF THE MEETING WHEN THE SENIOR UNOFFICIAL MEMBER, DR. THE HON. CHUNG SZE-YUEN, THE HON. WILSON WANG, THE HON. P.G. WILLIAMS, AND THE HON. LO TAK-SHING WILL EXPRESS THEIR VIEWS.

THE TELEPHONE CHARGES ISSUE WILL BE RAISED BY THE HON. OSWALD CHEUNG DURING QUESTION TIME. MR. CHEUNG WILL ASK THE GOVERNMENT TO OUTLINE THE INCREASES SOUGHT BY THE TELEPHONE COMPANY AND THE REASONS AND FACTS ADVANCED BY THE COMPANY FOR THE APPLICATION.

OTHER QUESTIONS RELATE TO THE PACE OF LOCALISATION IN THE GOVERNMENT SERVICE, TRIAD INFLUENCE IN SCHOOLS AND THE PROPOSED CODE OF AID FOR SUBSIDISED PRIMARY SCHOOLS, AMONG OTHERS.

TWO OTHER MAJOR ITEMS ON THE AGENDA INCLUDE DEBATE ON THE CHILD CARE CENTRES BILL AND THE INLAND REVENUE (AMENDMENT) (NO. 3) BILL WHICH SEEKS TO CHANGE THE BASIS OF ASSESSMENT OF PROFITS TAX FROM A PRECEDING YEAR TO A CURRENT YEAR BASIS -- THE SAME AS FOR SALARIES, PROPERTY AND INTEREST TAX.

SPEAKING ON THE PROFITS TAX LEGISLATION WILL BE THE HON. LEE QUO-WEI AND THE HON. J.M. BREMRIDGE. THREE OTHER UNOFFICIALS -- THE HON. WILSON WANG, THE HON. JOYCE SYMONS AND THE HON. KO SIU-WAH -- WILL COMMENT ON THE CHILD CARE CENTRES BILL.

THE ANNUAL REPORT OF THE ACCOUNTANT GENERAL WITH THE ACCOUNTS OF HONG KONG 1973/74 WILL BE TABLED IN COUNCIL TOGETHER WITH A REPORT AND CERTIFICATE ON THE GOVERNMENT'S ACCOUNTS FOR THE YEAR ENDED MARCH 31, 1974, AND A DESPATCH TO THE SECRETARY OF STATE ON THE REPORT BY THE DIRECTOR OF AUDIT FOR THE YEAR 1973/74.

REVIEW OF LAST YEAR'S WEATHER  
OCTOBER DOWNPOURS - A WELCOME RELIEF TO THE DROUGHT  
\* \* \* \* \*

HONG KONG EXPERIENCED EXCEPTIONALLY DRY CONDITIONS DURING THE FIRST NINE MONTHS OF 1974 RESULTING IN A SERIOUS WATER SHORTAGE.

HOWEVER, HEAVY DOWNPOURS IN OCTOBER BROUGHT A WELCOME RELIEF TO THE DROUGHT AND AN END TO WATER SUPPLY RESTRICTIONS IMPOSED IN SEPTEMBER.

THE ACCUMULATED RAINFALL ROSE FROM MORE THAN 30 PER CENT BELOW AVERAGE AT THE END OF SEPTEMBER TO SEVEN PER CENT ABOVE NORMAL BY THE END OF THE YEAR.

IN ITS ANNUAL WEATHER REPORT ISSUED TODAY, THE ROYAL OBSERVATORY SAID THAT OUT OF A TOTAL OF 34 TROPICAL CYCLONES WHICH FORMED IN THE WESTERN NORTH PACIFIC AND THE SOUTH CHINA SEA DURING THE YEAR, AN UNPRECEDENTED NUMBER OF 11 AFFECTED HONG KONG AND NECESSITATED THE HOISTING OF TROPICAL CYCLONE WARNING SIGNALS.

IT WAS ALSO THE FIRST TIME IN THE HISTORY OF THE ROYAL OBSERVATORY THAT FOUR TROPICAL CYCLONES AFFECTED THE TERRITORY DURING OCTOBER AND ONE PASSED CLOSE ENOUGH TO CAUSE STRONG WINDS IN DECEMBER.

THE FIRST THREE MONTHS OF THE YEAR WERE MUCH DRIER AND SUNNIER THAN USUAL AND FIRE DANGER WARNINGS WERE IN FORCE ON 44 DAYS. THE FIRST TROPICAL CYCLONE REPORTED IN THE YEAR, SEVERE TROPICAL STORM 'WANDA', FORMED TO THE EAST OF THE SOUTHERN PHILIPPINES ON JANUARY 10. IT MOVED NORTHEASTWARDS AND DISSIPATED OVER THE COLD WATERS EAST OF LUZON ON JANUARY 14.

TWO VERY COLD SPELLS WERE EXPERIENCED DURING FEBRUARY WHEN FROST AND ICE FORMATION WERE REPORTED ON HIGH GROUND AND IN THE NEW TERRITORIES. THE AIR TEMPERATURE FELL TO 4.2 DEGREES CELSIUS AT THE ROYAL OBSERVATORY EARLY ON FEBRUARY 26, WHICH WAS THE LOWEST TEMPERATURE RECORDED IN THE YEAR. THE MINIMUM TEMPERATURE RECORDED IN THE SAME MORNING AT TAI MO SHAN AND TATE'S CAIRN WERE -6.5 DEGREES CELSIUS AND -2.2 DEGREES CELSIUS RESPECTIVELY. ON FEBRUARY 23, WIDESPREAD FOG AND LOW VISIBILITY ASSOCIATED WITH A MOIST AIRSTREAM FROM THE PACIFIC CAUSED 23 AIRCRAFT TO DIVERT FROM THE HONG KONG INTERNATIONAL AIRPORT. THE STRONG MONSOON SIGNAL WAS HOISTED THREE TIMES IN FEBRUARY AND ONCE IN MARCH. A TROPICAL STORM NAMED 'AMY' DEVELOPED NEAR THE CAROLINE ISLANDS ON MARCH 14. IT MOVED WESTWARDS AT FIRST AND THEN RECURVED NORTHEASTWARDS, DISSIPATING OVER THE PACIFIC TO THE SOUTHEAST OF JAPAN ON MARCH 19.

/VIOLENT .....

TUESDAY, JANUARY 21, 1975

- 4 -

VIOLENT THUNDERSTORMS ASSOCIATED WITH COLD SURGES RESULTED IN 231.1 MM OF RAINFALL IN APRIL, MAKING IT THE FIRST MONTH SINCE SEPTEMBER 1973 WITH ABOVE AVERAGE RAINFALL. HOWEVER, THE HEAVY RAINS WERE CONFINED TO THREE DAYS, AND THE MONTH WAS SUNNIER THAN USUAL. THE STRONG MONSOON SIGNAL WAS HOISTED ON APRIL 1 - 2 WHEN A STRONG NORTHERLY SURGE AFFECTED HONG KONG. TROPICAL STORM 'BABE' FORMED NEAR THE CAROLINE ISLANDS ON APRIL 26. IT MOVED NORTHWARDS AND BECAME EXTRATROPICAL SIX DAYS LATER.

DRY CONDITIONS RETURNED IN MAY AND THE RAINFALL FOR THE MONTH WAS MORE THAN 30 PER CENT BELOW AVERAGE. MORE THAN HALF OF THE MONTH'S RAIN FELL ON MAY 2 WHEN AN ACTIVE TROUGH OF LOW PRESSURE PASSED THROUGH HONG KONG FROM THE NORTH. A SECOND TROUGH ARRIVED ON MAY 30 AND HEAVY THUNDERSTORMS ASSOCIATED WITH IT RESULTED IN THE DEATH OF THREE CAMPERS ON LANTAU ISLAND.

ALTHOUGH THERE WERE ONLY FIVE DAYS IN JUNE WITH NO RAINFALL RECORDED AT THE ROYAL OBSERVATORY, THE TOTAL RAINFALL FOR THE MONTH WAS STILL 20 PER CENT BELOW AVERAGE. THE MONTH WAS CLOUDY AND A LATE SURGE OF THE WINTER MONSOON ON JUNE 5 - 6 NECESSITATED THE HOISTING OF THE STRONG MONSOON SIGNAL FOR 21 HOURS.

FOUR TROPICAL CYCLONES WERE OBSERVED DURING THE MONTH AND TWO AFFECTED HONG KONG. A TROPICAL DEPRESSION WHICH FORMED OVER THE SOUTH CHINA SEA ON JUNE 6 CAUSED PERIODS OF STRONG WINDS AT HONG KONG ON JUNE 6 - 7 WHILE TYPHOON 'DINAH', WHICH DEVELOPED OVER THE PACIFIC ABOUT 50 MILES OF YAP, BROUGHT STRONG TO GALE FORCE EASTERLIES ON JUNE 12. HOWEVER, BOTH TROPICAL CYCLONE WERE RELATIVELY DRY AND WERE ASSOCIATED WITH VERY LITTLE RAIN AT HONG KONG.

JULY WAS WARM AND SUNNY WITH BELOW AVERAGE RAINFALL AND THE MEAN RELATIVE HUMIDITY OF 78 PER CENT WAS THE THIRD LOWEST ON RECORD FOR THE MONTH. FOUR TROPICAL CYCLONES FORMED IN THE WESTERN NORTH PACIFIC DURING THE MONTH BUT ONLY ONE, 'TYPHOON 'IVY'', BROUGHT GALES TO HONG KONG.

AUGUST WAS EVEN LESS HUMID THAN JULY AND THE MEAN RELATIVE HUMIDITY OF 76 PER CENT WAS THE LOWEST EVER RECORDED FOR THE MONTH. IT WAS ALSO MUCH WARMER THAN USUAL AND THE MEAN MAXIMUM TEMPERATURE OF THE MONTH, 32.0 DEGREES CELSIUS, WAS THE THIRD HIGHEST ON RECORD. ON AUGUST 20, UNDER THE INFLUENCE OF THE SOUTHWEST MONSOON THE AIR TEMPERATURE ROSE TO 34.3 DEGREES CELSIUS WHICH WAS THE MAXIMUM RECORDED IN THE YEAR. SLIGHTLY COOLER CONDITIONS WERE EXPERIENCED AFTER THE ARRIVAL OF AN EARLY SURGE OF THE WINTER MONSOON ON AUGUST 25 AND FIRE DANGER WARNINGS WERE IN FORCE ON AUGUST 25 - 27.

ALTHOUGH SEVEN TROPICAL CYCLONES WERE REPORTED DURING THE MONTH, NONE CAME SUFFICIENTLY CLOSE TO AFFECT HONG KONG. THIS WAS THE FIRST OCCASION SINCE 1969 WHEN NO SIGNALS WERE HOISTED IN THE MONTH OF AUGUST.

/DRY AND .....

DRY AND WARM WEATHER CONTINUED IN SEPTEMBER WITH ONLY 47 PER CENT OF THE AVERAGE RAINFALL RECORDED DURING THE MONTH. THE GENERAL DEFICIENCY IN RAIN DURING THE PREVIOUS MONTHS CREATED A SERIOUS PROBLEM OF WATER SHORTAGE AND RESTRICTIONS ON WATER SUPPLY WERE IMPOSED ON SEPTEMBER 25.

OUT OF THE FIVE TROPICAL CYCLONES REPORTED DURING THE MONTH, TWO, TROPICAL STORM 'TRIX' AND SEVERE TROPICAL STORM 'WENDY', NECESSITATED THE HOISTING OF TROPICAL CYCLONE WARNING SIGNALS IN HONG KONG.

DRY CONDITIONS CAME TO AN END IN OCTOBER WHEN PROLONGED HEAVY RAIN ASSOCIATED WITH TROPICAL CYCLONES BROUGHT MORE THAN SEVEN TIMES THE AVERAGE AMOUNT OF RAINFALL FOR THE MONTH TO HONG KONG. THE MONTHLY TOTAL AMOUNTED TO 718.4 MM WHICH WAS THE HIGHEST EVER RECORDED IN OCTOBER.

ON OCTOBER 19, 'CARMEN' PASSED ABOUT 70 MILES SOUTHWEST OF HONG KONG AND PRODUCED GALES AND WIDESPREAD HEAVY RAIN. THE RAINFALL RECORDED AT THE ROYAL OBSERVATORY ON OCTOBER 18 - 20 AMOUNTED TO 459.9 MM, WHICH MADE 'CARMEN' THE WETTEST TROPICAL CYCLONE IN OCTOBER AND THE FOURTH WETTEST ON RECORD. TYPHOON 'ELAINE' ALSO BROUGHT 225.2 MM OF RAINFALL TO HONG KONG BUT THE CONTRIBUTIONS FROM THE OTHER TWO TYPHOONS, 'BESS' AND 'DELLA' WERE LESS THAN 0.5 MM. BECAUSE OF THE UNUSUAL NUMBER OF TROPICAL CYCLONES WHICH THREATENED HONG KONG, SIGNALS WERE HOISTED ON 15 DAYS OF THE MONTH.

THE STRONG MONSOON SIGNAL WAS HOISTED ON THREE OCCASIONS DURING THE MONTH AND FIRE DANGER WARNINGS WERE IN OPERATION ON THREE DAYS.

THE FREQUENCY OF OCCURRENCE OF TROPICAL CYCLONES OVER THE WESTERN NORTH PACIFIC AND SOUTH CHINA SEA REMAINED HIGH IN NOVEMBER AND DECEMBER. ALTOGETHER, SIX WERE OBSERVED DURING THESE TWO MONTHS. TYPHOON 'GLORIA' CAME NEAR THE SOUTH CHINA COAST ABOUT 110 MILES EAST OF HONG KONG ON NOVEMBER 9, CAUSING FRESH WINDS AND PERIODS OF LIGHT RAIN, WHILE TYPHOON 'IRMA' WAS RESPONSIBLE FOR THE WETTEST DECEMBER ON RECORD. MORE THAN 95 PER CENT OF THE MONTH'S TOTAL RAINFALL OF 206.9 MM WAS PRODUCED BY 'IRMA' ON DECEMBER 1 - 2, AND THE 177.3 MM OF RAIN WHICH FELL ON DECEMBER 2 REPRESENTED THE HIGHEST DAILY AMOUNT EVER RECORDED IN DECEMBER.

WINTER CONDITIONS SET IN AROUND MID-NOVEMBER WHEN TEMPERATURES BEGAN TO FALL STEADILY TO GENERALLY BELOW 20 DEGREES CELSIUS. HOWEVER, THE SIX COLD SURGES WHICH PASSED THROUGH HONG KONG DURING THE LAST TWO MONTHS OF THE YEAR WERE RELATIVELY WEAK AND CAUSED THE AIR TEMPERATURE TO FALL BELOW 11 DEGREES CELSIUS ON ONLY ONE OCCASION. FIRE DANGER WARNINGS WERE IN FORCE ON 15 DAYS IN NOVEMBER AND 12 DAYS IN DECEMBER, WHILE THE STRONG MONSOON SIGNAL WAS DISPLAYED TWICE IN EACH MONTH.

DECEMBER HEALTH REPORT  
RISE IN INCIDENCE OF SCARLET FEVER  
\* \* \* \* \*

HEALTH RETURNS FOR DECEMBER 1974 ISSUED TODAY BY THE MEDICAL AND HEALTH DEPARTMENT SHOW AN INCREASE IN THE INCIDENCE OF SCARLET FEVER.

IN NOVEMBER, REPORTED CASES OF THE DISEASE TOTALLED FIVE, BUT LAST MONTH, NOTIFICATIONS ROSE TO 53, BRINGING THE YEAR'S TOTAL TO 80. NO DEATHS FROM THE DISEASE OCCURED IN 1974.

A SPOKESMAN FOR THE DEPARTMENT SAID SCARLET FEVER NOTIFICATIONS DURING DECEMBER HAD BEEN MARKED DURING THE EARLY PART OF THE MONTH, BUT THE DISEASE WAS SOON BROUGHT UNDER CONTROL, WITH THE RESULT THAT ONLY THREE CASES WERE RECORDED BETWEEN DECEMBER 20 AND 31.

REPORTS OF AMOEBIASIS TOTALLED SEVEN, A RISE OF FOUR COMPARED WITH THE PREVIOUS MONTH. THE INCIDENCE OF BACILLARY DYSENTERY DROPPED FROM 41 TO 37, BUT CASES OF CHICKENPOX ROSE FROM 21 TO 47.

THERE WERE NEITHER REPORTS OF, NOR DEATHS FROM, CEREBROSPINAL MENINGITIS, DIPHTHERIA, TETANUS NEONATORUM, AND POLIOMYELITIS DURING THE MONTH.

TWO CASES OF MEASLES WERE REPORTED, 36 OF ENTERIC FEVER, 18 OF FOOD POISONING, 603 OF TUBERCULOSIS, 46 OF VIRAL HEPATITIS, AND FOUR OF TETANUS.

OF THE 80 DEATHS RECORDED DURING DECEMBER, 71 WERE CAUSED BY TUBERCULOSIS, THREE BY AMOEBIASIS, TWO BY LEPROSY, THREE BY TETANUS, AND ONE BY VIRAL HEPATITIS.

DURING THE MONTH, HONG KONG REMAINED FREE FROM CHOLERA AND OTHER QUARANTINABLE DISEASES.

FIRE SERVICES DEPARTMENT ORDERS MORE ADVANCED EQUIPMENT  
\* \* \* \* \*

THE FIRE-FIGHTING AND RESCUE CAPABILITIES OF THE FIRE SERVICES DEPARTMENT WILL BE FURTHER INCREASED WITH THE ADDITION OF THREE 170-FT TURNTABLE LADDERS ORDERED FROM A WEST GERMAN COMPANY.

THE LADDERS, TOGETHER WITH VEHICLE CHASSIS AND ENGINES, WILL COST A TOTAL OF \$3.7 MILLION. THEY ARE EXPECTED TO ARRIVE TOWARDS THE END OF NEXT YEAR.

CONSTRUCTED OF STEEL, THEY WILL HAVE SEVEN SECTIONS AND BE HYDRAULICALLY OPERATED. THE MAXIMUM EXTENSION IS 170 FEET, BUT THEY WILL BE ABLE TO OPERATE AT LOWER HEIGHTS.

THE LADDERS ALSO INCLUDE AN ELEVATOR CAPABLE OF TRAVELLING ABOUT ONE FOOT PER SECOND CARRYING TWO FIREMEN AND FACILITIES FOR REMOTE CONTROL OPERATION.

THE MAXIMUM ELEVATION WILL BE 75 DEGREES AND IT WILL BE POSSIBLE TO ROTATE THE LADDERS THROUGH 360 DEGREES.

NEGOTIATIONS FOR THE PURCHASE OF THE 170-FT LADDERS HAVE BEEN GOING ON FOR SOME TIME AND INCLUDED A VISIT BY TWO FIRE SERVICES DEPARTMENT OFFICERS TO THE MANUFACTURER'S FACTORY.

THE LONGEST LADDERS AT PRESENT IN SERVICE WITH THE DEPARTMENT EXTEND 100 FEET AND CAN REACH UP TO THE NINTH FLOOR OF A BUILDING.

+WITH THE NEW EQUIPMENT,+ A FIRE SERVICES DEPARTMENT SPOKESMAN SAID, +WE WILL BE ABLE TO EXTEND OUR LADDER OPERATIONS UP TO THE 15TH FLOOR.+

THE FIRE SERVICES DEPARTMENT HAS LONG LED THE WAY IN BOLSTERING ITS CAPABILITIES WITH MODERN EQUIPMENT. IT WAS THE FIRST TO ORDER THE 100-FT ALL STEEL TURNTABLE LADDER MANUFACTURED IN 1933 BY THE MERRYWEATHER COMPANY OF GREAT BRITAIN.

ON ORDER AT PRESENT ARE ONE 91-FT AND TWELVE 50-FT SNORKELS (ELEVATED HYDRAULIC PLATFORMS) WHICH ARE RECOGNISED AS BEING AMONG THE MOST EFFECTIVE FIRE FIGHTING AND RESCUE EQUIPMENT.

REGISTRATION FACILITIES IN TAI PO

\* \* \* \* \*

TAI PO RESIDENTS WHO WISH TO REPLACE DEFACED IDENTITY CARDS OR AMEND THEIR NATIONALITY FROM CHINESE TO BRITISH MAY NOW CONVENIENTLY DO SO IN THEIR OWN DISTRICT.

SUCH APPLICATIONS ARE NOW ALSO PROCESSED AT THE REGISTRATION OF PERSONS TAI PO SUB-OFFICE AT 89-91 WAN TAU STREET, GROUND FLOOR, TAI PO MARKET. THE TELEPHONE NUMBER IS 12-666545.

THE OFFICE ALREADY PROVIDES REGISTRATION FACILITIES FOR ADULT AND JUVENILE IDENTITY CARDS.

MEMBERS OF THE PUBLIC ARE WELCOME TO CALL AT ANY BRANCH OFFICE OF THE REGISTRATION OF PERSONS DEPARTMENT FOR ADVICE. BRANCH OFFICES ARE LOCATED IN FAR EAST BANK BUILDING, CASTLE PEAK ROAD, TSUEN WAN, TEL. NO.:12-423587- IN CANTON ROAD GOVERNMENT OFFICES, 393 CANTON ROAD, KOWLOON, TEL. NO.:3-687354- IN SAN PO KONG GOVERNMENT OFFICES, 692 PRINCE EDWARD ROAD, KOWLOON, TEL. NO.:3-201253- AND IN CAUSEWAY BAY MAGISTRACY, ELECTRIC ROAD, HONG KONG, TEL. NO.:5-706659.
